Beautification Means Studied

Plans to beautify Skyline Blvd. by the planting of flowers along the right-of-way were considered Friday afternoon at a meeting of representatives of chambers of commerce of San Mateo, Santa Clara, San Francisco and Santa Cruz Counties.

Preliminary plans call for formation of a large committee, composed of citizen representatives from each chamber of commerce in each county represented, to work out details of the plan, particularly acquisition of additional right-of-way along the highway in order to make the project eligible for federal aid, according to Pres. Sam H. Winklebleck and Secty. Roscoe D. Wyatt of the Redwood City chamber, who attended the session, held at the Cloverleaf Club at Mountain View.

The new group may later consider beautification of Bayshore Hwy. and El Camino Real.

The session was called by Charles G. Norris of Palo Alto, widely-known novelist and husband of Kathleen Norris, writer, but because of a slight heart attack from which he was suffering. He was unable to attend. In his stead, Joseph B. Thompson of Palo Alto presided. Talks were made by Reed Hayes of Boulder Creek; Philip Holle of Californians Inc.; Fred E. Beer,

STUDENT OFFICERS ARE INSTALLED, AWARDS PRESENTED AT McKINLEY

Installation of new student body officers at McKinley Intermediate School and presentation of service awards to 85 students took place Friday in the school auditorium.

Walter Vreeburg, president; Richard Herzbrun, vice president, and Fern Davis, secretary-treasurer, are the new officers.

Only student to receive his third award, highest such honor conferred by the school, was Jack Lennan, of the upper eighth grade. The award is a gold felt block "M" mounted on a white background.

Twelve students received their second awards and the remainder were given first awards. The first award is a plain gold felt "M" and the second award a block letter with a double bar beneath.

The awards are given for participation in general school activities, not purely for athletics, it was pointed out by Mrs. Lauretta Paulsen, principal. The awards were presented by Albert J. Terremere, Sequoia High School instructor.

The school band and Junior Hi-Y organization were presented with a trophy from the American Legion of Menlo Park for the groups' participation in the Menlo Park Armistice Day program last Fall.

Supt. of Schools Andrew Spinas welcomed the incoming low seventh grade students, 64 in number, and Mrs. Paulsen explained the school's merit system.

The intermediate's varsity basketball team, coached by Milum Tackitt, and the grammar school's midget team, coached by Andrew Stevens, were introduced.

Entertainment was supplied by the band, the mixed choir, accompanied by Harriet Lagoni, former secretary-treasurer of the student body, and LeRoy Knackstedt, who played a baritone solo, "Old Black Joe," accompanied by Ronald R. Spink, orchestra director.

Music Festival Planned in May

The first weekend in May was provisionally set for the Spring music festival being planned by the California School Band, Orchestra and Chorus Association, whose directors met Saturday with Max L. Gelber of Redwood City, secretary.

It was not decided definitely if the festival will be held in San Jose or some other Bay Region city, Gelber reported here, final decision depending upon what arrangements can be made.

Although the festival, to be participated in by bands and orchestras from all parts of Northern California, will not be in the nature of a competition, the groups making the best presentations will be invited to participate in a Regional Festival to be held the next weekend in Long Beach. The nation has 10 such regional festivals.

The group meeting with Gelber, which included E. O. Brose of Burlingame, association president, discussed the recent "music clinic" held at San Jose, and also considered selection of critics for the Spring festival. Critics would write their comments and suggestions and submit them to the leaders after the event.

Peterson Blamed For Frustration

Three representatives of the San Mateo County Health Alliance met with the board of supervisors in private conference on Tuesday to present a letter which made two recommendations and asked the supervisors to state what they had done to carry out recommendations of the United States Public Health Service Survey of county health services last year.

Supervisor John A Lynch gave the following answers:

1. The board recommended appointment of an assistant health director and set up the necessary funds in the budget. County Executive Frederick Peterson vetoed the appointment.

2. The board studied feasibility of transfering tuberculosis patients from the county pavilion at Community Hospital to two private sanatoriums. Peterson has forbidden removal of any such patients without his personal approval.

3. The board set up money for additional case workers for the social welfare department, but Peterson did not see fit to order the positions filled.

Mrs. Elsa McGinn, representative-at-large for the alliance, acted as spokesman, Lynch said. She was accompanied by Mrs. D. A. Purdy of San Mateo, representing the Central Labor Council, and the Rev. Merle Clark, of South San Francisco, representing the ministerial association.

The letter recommended that all garbage fed to hogs be cooked to control trichinosis, and asked that a public health nurse be assigned to the San Mateo County Tuberculosis and Health Association for check-up work. Both requests were forwarded to Peterson.

World Day of Prayer Services Set Friday

Church members of all denominations in Redwood City are invited to the "World Day of Prayer" program which will be held from 2 to 4 p.m. today at the First Baptist Church.

The theme for the afternoon will be "In Quietness and In Confidence Shall Be Your Strength." Mrs. John Mansbarger is in charge. Speakers are the Rev. Charles E. Ward of the First Congregational Church, the Rev. Samuel J. Chaney of the First Methodist Church, Dr. Charles H. Gatchell and the Rev. Rowland T. Edgeworth of the Baptist Church.

Preceding the talks Mrs. J. O. Ernsberger will explain the origin and beginning of the "World Day of Prayer." The program will be interpersed with special musical numbers. Those attending may come at any time during the two hours, Mr. Edgeworth announced.

Bohannon Appointed To National Post

David D. Bohannon, Peninsula realtor, has been elected a director of the National Association of Real Estate Boards and will represent Northern California boards in that organization, the San Francisco Real Estate Board reported today, following word from Herbert U. Nelson, executive vice president of the National.

Bohannon, who has long been a member of the San Francisco board, is also chairman of the Land Developers and Home Builders Division of the National, representing the Southwest.

1940 COMMITTEE HEADS NAMED FOR R. C. CHAMBER OF COMMERCE

Chairmen and some members of 1940 standing committees in the Redwood City Chamber of Commerce were appointed by Pres. Sam H. Winklebleck Tuesday afternoon in the second meeting of the new board of directors, at the chamber of commerce office in the city hall.

The committee heads, with some members named, are as follows:

Merchants Committee—H. C. Mitchell; Port Traffic—Paul A. McCarthy, chairman; A. T. Smith and Carl Stoner; Highways—Henry Witte, incumbent; Gasoline Costs—Frank A. De Patta, chairman; J. E. Morrish and Duncan Reynard; Peninsula Transportation—J. A. Buhler, incumbent chairman, A. H. Davies, Carl E. Ward, William M. Werder, Henry Witte, all incumbent; Industrial Progress — Carl B. Stoner; Membership — Duncan Reynard.

The board approved the request by the San Francisco Bay Exposition to the state legislature for extension of $930,000 to insure the success of the 1940 fair, and fell in line with opposition voiced by the Los Angeles Chamber of Commerce against "direct production projects" and "consumers' co-operatives" which have been set up by the State Commission of Re-employment. The Los Angeles chamber charges that the projects, which already number 43, are interfering with private business.

The board took a membership in the California Roadside Council for 1940, and also voiced general approval of a suggestion by the San Francisco Floral Institute that an annual "Acacia Festival" be conducted in Redwood City, the center of Peninsula production of acacia blossoms. It is too late to conduct such an affair this year, the board felt, since the acacia season is nearly over.

GREEK LEAGUE ELECTS

George C. Condos of Menlo Park and James Balopoulos of South San Francisco have been re-elected president and secretary, respectively, of the Greek-American Voters' League of San Mateo County. Each will serve his third term.

Former Menlo Park Woman, 63, Killed

MENLO PARK, Feb. 5 — Mrs. J. Frank Guthrie, 63, member of the pioneer Gilbert family of Menlo Park and a cousin of Stephen Gilbert of this city, was killed sometime Saturday night when she fell from a 4-foot wall on the estate of Mrs. Paul I. Fagan located on the 17-Mile-Drive in Monterey County. Her body was found yesterday morning. She had suffered a broken neck.

Mrs. Guthrie spent her girlhood in Menlo Park. For the past 10 years she had managed the Cypress Point Country Club. Previously she managed the San Francisco Golf and Country Club and the Presidio Golf Club in San Francisco.

She had had an appointment Saturday night with her cousin, Mrs. Roman Neumann, and Mr. Neumann, caretakers of the estate. After she left them, it is believed, she lost her way going home and fell over the wall.

A brother, William Bradley of Los Gatos, and a sister, Mrs. Frances Wesendunk, San Francisco, survive.

Building Still Making Gains

MENLO PARK, Feb. 5—January was another record building month in both Menlo Park and Atherton.

Both towns report increases over the former high marks established in 1939 for real estate building activities in January. Menlo Park led off with $40,300 worth of permits issued, including nine new single-type dwellings.

Atherton was right behind, with $34,500 worth of building permits, calling however, for erection of only three residences.

Atherton permits issued during the month included: Louis C. Levy, residence on Catalpa Dr., Lindenwood subdivision; contractor, Finloff Brothers, estimated cost, $13,000.

Ernest Ophuls, residence on Elena Ave.; contractor, West Coast Houses Inc., $10,000.

Antone Peterson, residence in Lloyden Park; $10,000.

James Flood, alterations to Lindenwood home, $700. John Speyer, improvements, $500. Adam Musto, improvements to home on Stockbridge, $300.

Following are the single-dwelling permits issued in Menlo Park:

Mr. and Mrs. Guido Anselmi, home in Paraiso Park; contractor, Horace Siino, $4000.

Joe Trufelli, home at 901 Evelyn, $3000.

Mr. and Mrs. Michael Feeney, residence in Felton Gables; contractor, Dan D. Robertson, $5000.

Milton F. Saare, residence at Felton Gables; contractor, Dan D. Robertson, $5300.

M. J. McCarthy, residences (two single dwelling) at 1066 Cambridge; contractor, A. C. Heald, $11,000.

John F. Duckworth, homes at 743, 727 and 711 Middle Ave.; contractor, L. E. Withgitt, $4000.

Many Are Hurt, Transient Killed In Auto Accidents

A weekend made hazardous for automobiles by intermittent rainfall brought San Mateo County's fourth 1940 traffic fatality and many injuries.

Dead is a 28-year-old itinerant identified as **Sammy Workman.** He was struck at Menlo Park early Sunday by an automobile driven by Curtis Allen Wood, 17, San Mateo. Wood, who said he did not see the pedestrian, was not held. The body was taken to the Franklin & Crowe mortuary in Redwood City, where efforts are being made to contact Workman's aunt, Mrs. Virginia Crotty of Lego, W. Va.

Gardener's Estate To Exceed $10,000

Giambatista Cassaretto, 61, Redwood City gardener who died Jan. 26 from injuries suffered in a four-foot fall from a scaffolding at a new home he was constructing, left an estate valued in excess of $10,000, according to a petition for probate of his will filed in superior court. Mr. Cassaretto had lived in Redwood City 46 years. His home was at 644 Woodside Rd.

The will, dated June 13, 1932, left half the community property to his second wife, Frances Cassaretto. He also left her his automobile and personal effects.

The balance he willed, share and share alike, to his two sons by a former marriage, the late Ernie Cassaretto and Norman Cassaretto of Mokelumne Hill, Calaveras County. Ernie Cassaretto left two children, William Cassaretto and Mrs. Donna Darlene Beebe.

MENLO PARK NEWS NOTES

MENLO PARK, Feb. 9—Mrs. J. D. Guthrie, who died at Monterey following an accident at Cypress Point Golf Club, Monterey, Saturday, was known in Menlo Park in her girlhood. She was the daughter of the late Mr. and Mrs. Frank Bradley, pioneers of this community. In her youth, Hannah Bradley began a successful business career in San Francisco. In 1924 she managed a cafe at the top of the Guthrie Building, where a splendid view of the city could be enjoyed. Later she managed the Cypress Point Golf Club for many years. She previously held executive positions in San Francisco. On the afternoon of the accident she was on her way to visit her cousin, Mrs. Romi Neuman, formerly Miss Giebert of Menlo Park, when she fell from a four-foot wall, fracturing her skull. Mrs. Guthrie is survived by a sister, Mrs. Frances Wesendunk of San Francisco, and Prof. William Bradley of Los Gatos.

William T. Wilson, son of Mr. and Mrs. W. T. Wilson of Palo Alto, and Miss Jane Livermore were married in the old mission at Santa Barbara Sunday afternoon. A large number of friends and the parents of the bridegroom witnessed the ceremony. The wedding breakfast was held in the Biltmore Hotel, where Mr. Wilson is chief clerk. The pretty bride is a socialite of the southern city where her family has resided since the mission days. Her grandfather founded the City of Livermore before the gold rush days. Mr. and Mrs. Wilson have taken an apartment at the Biltmore for the present.

James P. McLoughlin, formerly of Menlo Park and son of Mr. and Mrs. E. J. McLoughlin, was married at San Carlos Mission last Sunday to Miss Myra Eaton of Sunnyvale, a charming young woman and the only daughter of Mr. and Mrs. W. Eaton of Sunnyvale. Mr. McLaughlin is a graduate of Mt. Carmel School and Sequoia High School of Redwood City. He is an official of the San Jose Labor Council. The young couple will reside in the garden city. Mr. McLaughlin formerly managed a local chain store.

The attractive neon lights placed on the city hall this week were beautiful and worthy of a great city. Any one having business with the city government headquarters cannot fail to find the place.

The city election is a little more than a month off and it is said there is a stable full of dark horses ready to make the race for the two positions on the city council. The terms of Harry J. Lusk and Frank Beeton expire. It is probable the former will seek re-election, whereas Mr. Beeton has declined to run again. The city treasurer and clerk will be unopposed. The election should be an exciting one if the dark horses are let loose.

Mrs. Kate Windele, widow of the late Dr. Edward Windele, passed away in San Francisco on Feb. 1. She was buried in Holy Cross Cemetery here. Dr. Windele practiced for a time in this county in the eighties and was very well-known to the people of the Peninsula. He died many years ago.

New Officers Seated By Peninsula Italians

New officers of the San Mateo County Council of Italian Clubs were installed Sunday at the fifth annual banquet of the organization held in Princeton-by-the Sea at Nerli's Place. Following the dinner dancing was enjoyed.

J. DiBiase of Daly City is the new president of the Council, while Frank Perry of San Mateo is vice president. Other officers are C. S. Grandi, Redwood City, secretary-treasurer, and Louie Moriconi, San Mateo, sergeant-at-arms.

Stock Show Funds Sought From State

If funds are made available by the State of California, the American Hereford Association will present a livestock show at the "Cow Palace" in Visitacion Valley Oct. 16-23, according to Fred D. Parr, president of Agricultural District 1-A.

Parr said that efforts are being made to have the state reallocate fair and exposition funds so that the livestock pavilion will receive the same allocation as the State Fair at Sacramento and the Los Angeles County Fair.

Port Business Is Too Good!

Leslie M. Rudy, manager of the Port of Redwod City, had a smile on his lips today but his brow wore wrinkles of deep perplexity.

The reason was this: The municipal harbor has more business than he knows just what to do with.

With the lumber schooner Margaret Schafer unloading a cargo on Wednesday, the steamer Willapa due in Thursday, the vessel Whitney Olson scheduled to arrive on Saturday, and two more boats due in next week, Rudy was happy about having business, but wondering what to do with all the lumber—approximately 2,000,000 feet to be discharged here within a week or so.

Because of the necessity of permitting lumber to stay at the harbor for a short time until purchasers can absorb it in their lumber yards, the port's storage space already was more than half occupied when the Margaret Schafer docked here this morning.

Unwilling to see lumber stored on paved streets again as it was the first year the port was in operation, Rudy declared:

"I don't know just what I'm going to do with the lumber, but I'm determined to keep it off the street if I have to put it in my office."

The Board of Port Commissioners at its regular meeting last night discussed the problem, but decided it could not increase paved storage areas at the harbor due to lack of funds for capital expenditures. Rudy told the commission that not only storage space but docks and sheds were inadequate for business that is in view for the port, as indicated by the start of a month that bids fair to be the largest in port history, as far as lumber shipments are concerned.

Policemen Ride Herd on 15 Sheep

ATHERTON, Feb. 5 — Mary and the little lamb have nothing on the police department here after what happened last night in this little Peninsula community.

A woman telephoned Police Chief J. E. Farrell just before dusk.

"There is a herd of sheep wandering down Atherton Ave.," she excitedly informed the chief.

Farrell put out a radio call and hurried over to Atherton Ave. No sheep were in sight. He enlisted Officer Leroy Hubbard and the two policemen began a search for the herd.

Sure enough, they found 15 sheep from the Menlo Circus Club wandering down and around Stockbridge Ave. The chief and Hubbard became sheepherders and after a hectic half hour they succeeded in bringing the animals back to their camping grounds, the polo field at the Circus Club.

The sheep are kept by the club to crop the grass on the playing field. How they got out of the enclosure was a mystery.

The Society of Hydraulic Force of Sila recently inaugurated a new hydroelectric plant capable of producing 70,000,000 kilowatt hours of power annually.

Trueblood, Former Teacher Here, Dies

Word has just been received by Miss Pansy Jewett Abbott, county superintendent of schools, of the death of Howard Trueblood, former teacher in the Redwood City Elementary Schools and rural superviser of art. Mr. Trueblood died suddenly Jan. 29 of a heart attack in Alaska where he had been teaching since he resigned his position here about eight years ago.

Latest in Family To Be Injured Sues

Attilio Agresti, Colma, has filed suit in superior court for $25,000 damages against William Kahle Jr., Daly City, for injuries suffered Sept. 20 when Kahle's automobile allegedly ran down Agresti in a Mission St. safety zone at Daly City.

The accident is one of a series which have plagued the Agresti family. Adolph Agresti, 18, was killed Nov. 24, 1938, as he stepped from a Colma curbing. His brother, Ricco, was injured. Their uncle, Andronico Agresti, was killed on Mission St. under similar circumstances in 1937.

CHICKEN THIEF SENTENCED

Robert Bittle, 52, East Palo Alto laborer who last week completed a 30-day sentence in the county jail, was sentenced to serve 60 more days by San Carlos Police Judge Rupert C. Johnson. In the San Carlos complaint, Bittle was accused of stealing a number of chickens from Marion Wight, San Carlos business man.

Ferric (iron) salts, when applied to the broken skin, have a strong astringent, medical action.

SPECIAL CAR PARKING PRIVILEGES GIVEN PETERSON IRK SUPERVISOR

H. H. Smith, chairman of the board of supervisors, announced at the board meet Tuesday morning that he felt called upon to comment on the "un-American" agreement between County Executive Frederick Peterson and the City of Redwood City whereby he is given unlimited automobile parking privileges in the one-hour zone in front of the courthouse annex.

He said it was an example of special privilege, unbecoming a public official.

"This privilege is not granted to any other person," he said, "and sets a bad example. I protest any such agreement, and it is my candid belief that such special privilege does as much to undermine respect for government as any subersive interest."

Peterson defended his parking privilege as an illustration of the co-operation that exists between city officials and the county executive.

"Who has a better right to park in front of the annex?" he demanded.

Cooking Display To End Tomorrow

Today and tomorrow are the last two days for the free cooking demonstration being conducted at the local Montgomery Ward store.

Oliver K. Cargo of Chicago, known as the speed chef, can cook a complete meal in 8 minutes. This is done with the use of the Ward's Spee-Dee Sauce Pan. Oliver demonstrates the Sauce Pan every hour on the hour. The Sauce Pan cooks all foods, including roasts and fowls, in one-fifth to one-third of the time required by ordinary methods.

FOREST SERVICE ACCUSED

Mrs. Winifred Henry, Alameda, has asked the county to pay $250 damages for six Douglass firs she charges were cut from property under her care at Comstock Rd. and Skyline Blvd. She charges the trees were cut by the county forest service. The forest service denied her allegation.

Secret Service Agent To Speak to Eagles

Capt. Thomas B. Foster, secret service chief for the West Coast, will address the local Eagles and invited guests at 8:30 p.m. Friday in the Odd Fellows' Hall.

His talk will deal with different cases of the secret service and will touch upon counterfeiting and the breaking up of a recent "gold ring."

Pres. C. L. White announced that a short meeting of the members and Captain Foster, who has been an Eagle for 15 years, will take place from 8 to 8:30 and then guests will be admitted.

At the last meeting, Harry Bourquin, chairman of the tree committee for the new recreation center, reported plans were being worked out whereby individuals and organizations would be able to contribute trees for the center since several such requests have been made.

BOY IS SLIGHTLY HURT

SAN CARLOS, Feb. 3—The 4-year-old son of Mr. and Mrs. E. J. Grant of San Mateo was recovering today from cuts and bruises suffered Thursday night when the car in which he was riding with his mother collided at San Carlos Ave. and El Camino Real with the machine of William Voight, 1023 Walnut St., San Carlos.

Trade your old car in on a newer one. See Tribune Want Ads.

Three Incur Slight Injuries in Accident

Jack Farrell Jr., 20, 117 Arundel Rd., Burlingame, suffered an injured right elbow and a cut on his head in an automobile accident at El Camino Real and Madison Ave., Redwood City, at 12:20 a. m. yesterday.

According to the police report, Farrell was riding with Janet S. Barry, 30, of Woodside. Driver of the other automobile was Reese Imobersleg, 19, 110 Warren Rd., San Mateo. The two drivers suffered only minor injuries. Investigating officer was W. G. Keller.

ATTENDANCE NORMAL

Attendance at Sequoia High School yesterday was "back to normal," according to Attendance Secty. Ellen Adams. Present enrollment is 1937, with about five more freshmen and several transfers yet to enroll, she said.

Regan Asks Court Aid In Rezoning Dispute

H. W. Regan, owner of San Mateo's Third Ave. corners, subject of repeated zoning disputes, has turned to the superior court in his latest joust with city officials. The San Matean secured from Judge Maxwell McNutt an alternative writ of mandate to force Mrs. Elsa McGinn, secretary of the San Mateo Planning Commission, to act on his petition for a special use permit or show cause Feb. 9.

The, southwest corner of El Camino Real-Third Ave. intersection, entrance to the swank Baywood colony, is the property in dispute. Regan seeks permission to remodel an existing structure, formerly a real estate office, as a branch office of the California State Automobile Association.

Expansion Of Work Planned

Inauguration of a weekly "community sing" to be held at the North Fair Oaks Community Church on Third Ave. will take place Friday night, Feb. 16, Thomas W. Badley, YMCA secretary, announced here as the result of a meeting held Monday night at which plans were made to expand the program of the Young Men's Christian Association in the area.

The novel hour's program, to which every one in the district will be invited, will consist of group singing and numbers by outside talent to be selected by a committee. Programs will start at 8 p.m. Purpose, Badley explained, is to promote better understanding and community consciousness. The expansion of the "Y" program is made possible by the recent addition of Merlin Donaldson to the "Y" staff.

If the project is successful, similar ones will be started in other communities, Badley said.

At the session Monday evening, held at the home of the Rev. Thomas Nelson, Badley outlined needs of the community in boys' work, pointing that Garfield School now has the largest registration in the elementary district outside of McKinley School. The two YMCA clubs now organized are inadequate, he said, although there have been no great delinquency problems there as yet.

To enlarge the program, a sponsoring committee was appointed to consist of Max Thornton, chairman; F. A. Pohlman, G. R. Rose, R. E. Farrell, L. N. McNeil and the Rev. Mr. Nelson. Rose was appointed to assist McNeil as leader of the "Y" Oaks Club, which meets each Wednesday evening at his home on Fourth Ave., and Farrell was appointed as leader of the Garfield Gra-Y Club, to be assisted by Thornton, principal of the school.

Another Bracesco Petition Is Filed

Frank Bracesco, son of John E. Bracesco, aged Menlo Park resident who died Jan. 2, has filed petition for letters of administration of his estate. The petition declared Bracesco died intestate and listed seven heirs.

Already on file is Frank Bracesco's suit against his sisters, Agnes Bracesco and Mary Cooley, who, he claims, exerted undue influence to win their father's confidence and his signature to certain documents giving them control of his property.

Hearing on the petition was set for Feb. 19 at 10 a.m. before Judge Maxwell McNutt.
